BENCH DONATION OPPORTUNITIES ... \$3,000

Ventnor Memory Park has selected the classically timeless styling of Madison Memorial Benches for 8 benches, each six feet long, which will encircle the splash pad. The core mission of VMP is to be environmentally sensitive ... the "green" mission of the park is underscored by this commercial supplier's use of extruded lumber, so no harvesting from tropical rainforests.

Madison Memorial Benches afford ease of upkeep, avoid problems of tarnish, pitting and loosened screws common to metal plaques mounted on hardwood, and allow ample space to inscribe meaningful commemorative lasered onto the four back planks. Donors can better express thoughts with 40 characters on the larger font top plank, and 50 characters on each of the lower three planks comprising the back of the bench.

YES!!! PLEASE RESERVE our BENCH for the plaza around the SPLASH PAD!

KINDLY PHONE AHEAD (908) 510-1642 or send an email to VentnorMemoryPark@gmail.com to assure bench availability. Several benches have already been pre-reserved ahead of launching the park's Public Fundraising Campaign.
